My Capabilities

★★★★☆

Financial Solution

- Our capabilities are built around finance, strategy, business development and operational growth.
- we have provided assistance that has contributed to the funding of over 200 businesses, including startups and expanding ventures, as well as support for entrepreneurs seeking grants.

Digital Solutions.

- We design, develop, and remodel digital platforms to meet specific business and customer needs.
- Our experience includes the development and remodeling of platforms such as Mayak Services Limited, Connect BOX, and Kwik Fix Auto Limited.

Business Development & Growth Strategy

- We support businesses in identifying new opportunities, developing growth strategies, understanding their target markets, and building sustainable business models.

Sales & Marketing Support

- Our capabilities include sales strategy development, customer relationship management, business promotion, digital marketing, and identifying new business opportunities.

The Gap

The Problem
Across Nigeria, many micro, small and medium-sized businesses have viable products, customers and growth plans, yet access to suitable business finance remains a major challenge. Business owners often need capital for working capital, inventory, expansion, equipment, contracts and other growth opportunities, but may struggle to identify suitable funding options or position their businesses effectively for financing.

Key Statements

- Expansion Finance
- Need for working capital
- Struggle to identify suitable funding option.
- Access to Suitable Business Finance

Service Ecosystem

Enterprise Management and software deveopment

Consultancy

Insurance/audit and tax clearance

Access to market

Access to Finance (Loans and Investment)

Supply of Fast Moving Consumer Goods (FMCGs)
